REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Joseph Keels Elementary School for Entrepreneurial Leadership is the home of the proud Keels' Cubs! This school year we expanded to school-wide implementation of our School for Entrepreneurial Leadership Magnet Program; every student grades K-5 now participates in the magnet. Students are continuing to learn about both broad and finite concepts related to entrepreneurship, and are given abundant opportunities to put these concepts and skills into practice in their work.

Faculty and staff continue to work to design lessons that provide natural integrations and connections to the core goals of this dynamic leadership program. The addition of a Science Lab teacher to our faculty this year has cultivated increased interest in science and inquiry. We continue to have a primary professional development focus on designing engaging work for students. We also implemented teacher designed faculty meetings, school design teams, and professional development leaders. Our teachers initiated and conferenced with over 500 of our parents this school year. We also work as a collective faculty and in teams to determine the most effective ways in building upon our current successes, and creating new ones.

We continue to embrace many initiatives at our school that foster the development of the whole child. Some of these initiatives include an increased focus on technology integration, single-gender classrooms, and mentoring programs. The 21st Century Afterschool Program, continues to provide academic support, and recreational activities such as swimming instruction and tennis. The "Breakfast In the Classroom" and Fresh Fruits and Vegetables Programs continue to provide our students with excellent nutritional options and learning related to a healthy lifestyle.

Student recognition for achievement was highlighted through the addition of an Honor Roll Wall and Awards Program, National Junior BETA Club Induction, Reading Counts, and Presidential Scholar Awards. We continued to implement Positive Behavior Intervention and Supports Program(PBIS). Students are rewarded for their positive behavior with incentives such as, "cubby bucks," utilized for shopping at the school store, admission to 9-week celebrations, and a bi-annual bicycle give away. The first ever Keels' Spring Fling Pageant fostered much school and community support, and was a great success! Home Depot became our partner near the year-end, and we look forward to a fruitful relationship as we embark on the 2012-13 school year. We also continue to be proud of stellar programs like, "Real Men Read," Career Day, Field Day, Jump Rope for Heart, and Pennies for Pasta. With a "students-first" mindset, our faculty and staff have had another successful year at Keels, "Where Everybody Was Born to be Somebody."
